This report includes youth in foster care who have a non-ended ASL. A blank row in the ASL column indicates no ASL has been recorded. Policy allows up to 45 days to record the ASL. The columns under Foster Care indicate primary service indicated for child in the designated setting. Column headings changed in 2008 due to new licensing standards. New headings include Child Care Services (formerly Basic), Emotional Disorder (formerly Therapeutic), Developmental Disability(formerly Habilitative), Perv Devl Disorder (Pervasive Development Disorder - new heading), GRO (General Residential Operation) Child Care Only.
