

Attachment to Addendum 2-Applicant Questions and Answers

RFA Number		RFA/Grant Name	
HHS0016793		HIV/Part B Minority AIDS Initiative (MAI) For Dallas HIV Service Delivery Areas (Dallas HSDA)	
PCS Grant Specialist Name		PCS Grant Specialist Email	
Barbara Logan		barbara.logan@hhs.texas.gov	

+/- Row	#	Reference	Applicant Question	Agency/Program Response
+	1	Section 6.3 Indirect Costs	HRSA HAB PCN 15-01 states that indirect costs charged by Ryan White Part B subrecipients are considered administrative expenses subject to the 10% aggregate administrative cost limit. However, Section 6.3 of this RFA states that applicants may use an approved federal or State of Texas indirect cost rate. [REDACTED] Applicable approved rate may be 26%. For budgeting purposes, should [REDACTED] limit its total administrative costs, including indirect costs, to 10% under PCN 15-01? Or does DSHS expect applicants to apply their approved indirect cost rate under Section 6.3, even when that rate exceeds 10%?	Health Resources and Services Administration caps administrative expenditures at 10%. For Minority AIDS Initiative the contractors/subrecipients can charge their indirect rate, but only up to 10% of their contract amount.
