In accordance with U.S. Code, Title 42, Section §300x-25 (Group Homes for Persons in Recovery from Substance Use Disorders). The System Agency will utilize Level 1 Recovery Housing to increase Recovery Housing opportunities for individuals who elect to live together in a substance-free environment to maintain and build Recovery Capital. HHSC seeks one (1) awardee to deliver Level 1 Recovery Housing. The maximum award amount per State fiscal year is \$1,600,000.00; The total funding amount is \$8,000,000.00.

Federal funding awarded to System Agency is through the following program:

Federal Grant Program:	Substance Abuse Prevention and Treatment Block Grant (SABG)
Federal Awarding Agency:	Substance Abuse and Mental Health Administration
Assistance Listing Number and Program Title:	93.959 Block Grants for Prevention and Treatment of Substance Abuse

1.4 STANDARDS

ARTICLE II. SCOPE OF GRANT PROJECT

2.1 PURPOSE

The funding opportunity invites Applications for grant funding under the Texas Group Homes (TGH), Level 1 Recovery Housing Contract. The purpose of the TGH Contract is to ensure continuity of care: first, by maintaining the existing number of Level 1 Recovery Homes, and second, by establishing additional Level 1 Recovery Homes in areas of need. This level of care includes: (1) Grantee staff; (2) providing a safe, affordable, substance-free environment with peers in recovery; and (3) other services in the community.

2.2 PROGRAM BACKGROUND

In accordance with U.S. Code, Title 42, Section §300x-25 (Group Homes for Persons in Recovery from Substance Use Disorders), the System Agency will utilize Level 1 Recovery Housing to increase recovery housing assistance opportunities for recovering individuals who elect to live together in a substance-free environment to maintain and continue to build Recovery Capital. Recovery Housing is designed to address the recovering person's need for a safe and healthy living environment. Often the transition for a person from an intensive level of substance use treatment back into the community can be challenging and can include the risk of reverting to substance use. In 2018 a study by National Institute on Drug Abuse (NIDA) reported that return to use rates for substance-use disorders is approximately 40-60% and can be dangerous and potentially deadly. The first 12 months of a person's recovery journey (sometimes referred to as early recovery) is a crucial period during which people contend with raw core clinical issues such as family history, unresolved trauma, grief and loss, emotional immaturity, low frustration tolerance, and other factors that make them susceptible to reverting to substance use. However, Recovery Housing can be a powerful ally in a person's recovery journey, in as much as it provides social support and helps persons to invest in their Recovery. See <https://www.samhsa.gov/resource/ebp/recovery-housing-best-practices-suggested-guidelines>.

The National Alliance of Recovery Residences (NARR) identifies the least restrictive type of Recovery Housing as Level 1 Recovery Housing. Level 1 Recovery Housing is a community-based approach to group recovery housing, which is a democratically run, peer-supported, and substance-free home that can house anywhere from six to 15 adults in recovery. This Level of housing has operated successfully at both federal and state levels.

2.3 ELIGIBLE POPULATION

The eligible population for services to be served under this RFA are men and women who are completing a substance use disorder residential treatment program. Men and women who are enrolled in outpatient, recovery support, or opioid treatment services, and who need a place to live and can meet the requirements for being a resident of a Recovery House, also would be eligible. Priority for housing admission must be given to persons who have completed an System Agency-funded residential treatment program, as well as

persons who continue to participate in outpatient services (including MAT services) and recovery support services.

1. The score will be increased to 2 numbers beyond the decimal.
2. If a tie remains the Applicant with the highest score in the Background and Staffing section will be awarded.
3. If a tie remains the Applicant with the highest score on question 2.5 of the Program section will be awarded.

Final award recommendations will be considered for approval by the HHSC Program Deputy Executive Commissioner or their designee.

10.2 NEGOTIATIONS

After selecting Applicants for award, the System Agency may engage in negotiations with selected Applicants. As determined by System Agency, the negotiation phase may involve direct contact between the selected Applicant and HHS representatives by virtual meeting, by phone and/or by email. Negotiations should not be interpreted as a preliminary intent to award funding unless explicitly stated in writing by the System Agency and is considered a step to finalize the Application to a state of approval and discuss proposed grant activities. During negotiations, selected Applicants may expect:

1. An in-depth discussion of the submitted Application and requested Budget; and
2. Requests from the System Agency for revised documents, clarification or additional detail regarding the Applicant's submitted Application. These clarifications and additional details, as required, must be submitted in writing by Applicant as finalized during the negotiation.

10.3 DISCLOSURE OF INTERESTED PARTIES

Subject to certain specified exceptions, Section [2252.908 of the Texas Government Code](#), Disclosure of Interested Parties, applies to a Grant Agreement of a State agency that has a value of \$1 million or more; requires an action or vote by the governing body of the entity or agency before the Grant Agreement may be signed; or is for services that would require a person to register as a lobbyist under Chapter 305 of the Texas Government Code.

One of the requirements of [Section 2252.908](#) is that a business entity (defined as “any entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation”) must submit a Form 1295, Certificate of Interested Parties, to the System Agency at the time the business entity submits the signed Grant Agreement.

Applicant represents and warrants that, if selected for award of a Grant Agreement as a result of this RFA, Applicant will submit to the System Agency a completed, certified and signed Form 1295, Certificate of Interested Parties, at the time the potential Grantee submits the signed Grant Agreement.

The Form 1295 involves an electronic process through the Texas Ethics Commission (TEC). The online process for completing the Form 1295 may be found on the TEC public website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

Additional instructions and information to be used to process the Form 1295 will be provided by the System Agency to the potential Grantee(s). Grantee may contact Sole Point of Contact or designated contract manager for information needed to complete Form 1295.

If the potential Grantee does not submit a completed, certified, and signed TEC Form 1295 to the System Agency with the signed Grant Agreement, the System Agency is prohibited by law from executing a Grant Agreement, even if the potential Grantee is otherwise eligible for award. The System Agency, as determined in its sole discretion, may award the Grant Agreement to the next qualified Applicant, who will then be subject to this procedure.

10.4 EXECUTION AND ANNOUNCEMENT OF GRANT AGREEMENT(S)

The System Agency intends to award eleven (11) Grant Agreements as a result of this RFA. However, not all Applicants who are deemed eligible to receive funds are assured of receiving a Grant Agreement.

At any time and at its sole discretion, System Agency reserves the right to cancel this RFA, make partial award, or decline to award any Grant Agreement(s) as a result of this RFA. The final funding amount and the provisions of the grant will be determined at the sole discretion of System Agency.

HHSC may announce tentative funding awards through an “Intent to Award Letter” once the HHSC Program Deputy Executive Commissioner and relevant HHSC approval authorities have given approval to initiate and/or execute grants. Receipt of an “Intent to Award Letter” does not authorize the recipient to incur expenditures or begin Project activities, nor does it guarantee current or future funding.

Upon execution of a Grant Agreement(s) as a result of this RFA, HHSC will post a notification of all grants awarded to the [HHS Grants RFA website](#).

ARTICLE XI. GENERAL TERMS AND CONDITIONS

11.1 GRANT APPLICATION DISCLOSURE

In an effort to maximize State resources and reduce duplication of effort, System Agency, at its discretion, may require the Applicant to disclose information regarding the Application for or award of State, federal, and/or local grant funding to the Applicant or subgrantee or subcontractor (*i.e.*, organization who will participate, in part, in the operation of the Project) within the past two years to demonstrate effective establishment of Level 1 Recovery Houses. It is expected that eligible Applicants have the demonstrated experience, expertise, and infrastructure to perform the work outlined in this RFA.

11.2 TEXAS HISTORICALLY UNDERUTILIZED BUSINESSES (HUBS)

In procuring goods and services using funding awarded under this RFA, Grantee must use HUBs or other designated businesses as required by law or the terms of the State or federal grant under which this RFA has been issued. See, e.g., [2 CFR § 200.321](#). If there are no such requirements, System Agency encourages Applicant to use HUBs to provide goods and services.

For information regarding the Texas HUB program, refer to CPA's website: <https://comptroller.texas.gov/purchasing/vendor/hub/>.

ARTICLE XII. APPLICATION CONFIDENTIAL OR PROPRIETARY INFORMATION

12.1 TEXAS PUBLIC INFORMATION ACT – APPLICATION DISCLOSURE REQUIREMENTS

Applications and resulting Grant Agreements are subject to the Texas Public Information Act (PIA), [Texas Government Code Chapter 552](#), and may be disclosed to the public upon request. Other legal authority also requires System Agency to post grants and Applications on its public website and to provide such information to the Legislative Budget Board for posting on its public website.

Under the PIA, certain information is protected from public release. If Applicant asserts that information provided in its Application is exempt from disclosure under the PIA, Applicant must:

1. **Mark Original Application:**
 - a. Mark the Original Application, at the top of the front page, with the words “CONTAINS CONFIDENTIAL INFORMATION” in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font); and
 - b. Identify, adjacent to each portion of the Application that Applicant claims is exempt from public disclosure, the claimed exemption from disclosure (NOTE: no redactions are to be made in the Original Application).
2. **Certify in Original Application – HHS Solicitation Affirmations:** Certify, in the designated section of the **Exhibit A, HHS Solicitation Affirmations**, Applicant's confidential information assertion and the filing of its Public Information Act Copy; and
3. **Submit Public Information Act Copy of Application:** Submit a separate “Public Information Act Copy” of the Original Application (in addition to the original and all copies otherwise required under the provisions of this RFA). The Public Information Act Copy must meet the following requirements:

- a. The copy must be clearly marked as “Public Information Act Copy” on the front page in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font);
- b. Each portion Applicant claims is exempt from public disclosure must be redacted (blacked out); and
- c. Applicant must identify, adjacent to each redaction, the claimed exemption from disclosure. Each identification provided as required in Subsection (3) of this section must be identical to those set forth in the Original Application as required in Subsection 1(b), above. The only difference in required markings and information between the Original Application and the “Public Information Act Copy” of the Application will be redactions – which can only be included in the “Public Information Act Copy.” There must be no redactions in the Original Application.

By submitting an Application under this RFA, Applicant agrees that, if Applicant does not mark the Original Application, provide the required certification in Exhibit A, HHS Solicitation Affirmations, and submit the Public Information Act Copy, the Application will be considered to be public information that may be released to the public in any manner including, but not limited to, in accordance with the Public Information Act, posted on the System Agency’s public website, and posted on the Legislative Budget Board’s public website.

If any or all Applicants submit partial, but not complete, information suggesting inclusion of confidential information and failure to comply with the requirements set forth in this section, the System Agency, in its sole discretion, reserves the right to (1) disqualify all Applicants that fail to fully comply with the requirements set forth in this section, or (2) to offer all Applicants that fail to fully comply with the requirements set forth in this section additional time to comply.

No Applicant should submit a Public Information Act Copy indicating that the entire Application is exempt from disclosure. Merely making a blanket claim that the entire Application is protected from disclosure because it contains any amount of confidential, proprietary, trade secret, or privileged information is not acceptable, and may make the entire Application subject to release under the PIA.

Applications should not be marked or asserted as copyrighted material. If Applicant asserts a copyright to any portion of its Application, by submitting an Application, Applicant agrees to reproduction and posting on public websites by the State of Texas, including the System Agency and all other State agencies, without cost or liability.

The System Agency will strictly adhere to the requirements of the PIA regarding the disclosure of public information. As a result, by participating in this RFA, Applicant acknowledges that all information, documentation, and other materials submitted in its Application may be subject to public disclosure under the PIA. The System Agency does not have authority to agree that any information submitted will not be subject to disclosure. Disclosure is governed by the PIA and by rulings of the Office of the Texas Attorney General. Applicants are advised to consult with their legal counsel concerning disclosure

issues resulting from this process and to take precautions to safeguard trade secrets and proprietary or otherwise confidential information. The System Agency assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Applicants.

For more information concerning the types of information that may be withheld under the PIA or questions about the PIA, please refer to the Public Information Act Handbook published by the Office of the Texas Attorney General or contact the attorney general's Open Government Hotline at (512) 478-OPEN (6736) or toll-free at (877) 673-6839 (877-OPEN TEX).
