Addendum 3 - Questions and Answers

#	RFA Reference	Question	Response
1	Exhibit B, DFPS Grant Uniform Terms and Conditions	I am reaching out regarding one of the questions I posed regarding RFA No. HHS0013406. Regarding Exhibit B DFPS Grant Uniform Terms and Conditions, I see that the response posted in the Questions and Answers Attachment to Addendum 2 states that Exhibit B is saved as a Portfolio, which can be opened by going to View, Portfolio, Details from the PDF toolbar menu. However, when I tried this, it still did not work. I checked with our IT department, and it appears that the PDF portfolio is using Flash, which is no longer supported by Adobe.

I realize that the deadline for submitting questions has now passed, however, I am hoping that you can assist me with accessing the rest of the document so we can ensure we are able to agree to all of the terms and conditions outlined in Exhibit B prior to submitting our application. I was able to find the attached document on the DFPS website under "Contracting and Procurement Forms," so if it is easier, would you be able to confirm whether this is the same information contained in Exhibit B? | Please note that per Addendum 3, "HHS0013406 Exhibit B DFPS Grant Uniform Terms and Conditions" is replaced with "HHS0013406 Exhibit B DFPS Grant Uniform Terms and Conditions – September 2023 ". This document also provides updated language.

Please note that this updated file is not within a portfolio.

Please also note that other PDF portfolio documents in this RFA do not require the use of Flash. |

I have access to both the Enterprise Portal and the Online Bid Room from submitting previous applications, but I am unclear what these instructions mean by "other applications."
