Section II. Scope of Grant Project

2.1 PURPOSE

This funding opportunity invites grant Applications requesting funding for the Workplace Violence Against Nurses Prevention Grant Program. The purpose of this program is to stimulate the development of new, or the expansion of existing, programs that include original, creative or advanced methods for reducing verbal and physical violence against nurses in Hospitals, Nursing Facilities, Home Health Agencies, and Freestanding Emergency Medical Centers

2.2 PROGRAM BACKGROUND

House Bill 280, 85th Texas Legislature, Regular Session, 2017 added Section 105.011 to the Health and Safety Code to allow TCNWS to administer a grant program to fund Innovative approaches to reducing verbal and physical violence against nurses in Hospitals, Freestanding Emergency Medical Care Facilities (FECs), Nursing Facilities, and Home Health Agencies. The intent of this RFA is to stimulate the development, evaluation, and adoption of Innovative solutions to reduce workplace violence against nurses.

In 2016, TCNWS conducted a study on workplace violence that consisted of two surveys: one of individual nurses and their personal experience with workplace violence and one of employers of nurses that included questions related to practices and strategies used by their organizations to prevent workplace violence against nurses.

The individual nurse study found that most nurses had experienced some kind of violent act in the workplace in the past twelve (12) months. Verbal abuse was the most common type of workplace violence experienced by responding nurses; and patients were the most commonly reported group to commit violence.

Results from the employer survey found that the majority of responding facilities had implemented a program or policy that includes prevention of workplace violence against nurses. Most facilities' policies included workplace violence prevention training, assessment of work areas for risk factors, required reporting of incidents, and investigation of reported incidents.

The 2022 Texas Workplace Violence Against Nurses Employer Survey found that 85% of responding facilities have implemented a workplace violence prevention program or policy, which represents an increase from approximately 70% in 2018. Facilities also reported using various strategies to prevent or reduce workplace violence against nurses including staff training, involvement of law enforcement, use of emergency codes, security cameras, and walkie-talkies.

2.3 ELIGIBLE POPULATION

The primary population to be served under this RFA consists of licensed nurses in the State of Texas.

2.4 ELIGIBLE SERVICE AREAS

The service areas eligible for project funding under this RFA are statewide.

2.5 ELIGIBLE ACTIVITIES

This grant program may fund activities and costs as allowed by the laws, regulations, rules, and guidance governing fund use identified in the relevant sections of this RFA. Only grant-funded activities authorized under this RFA are eligible for reimbursement and payment under any Grant Agreement awarded as a result of this RFA.

The primary focus of the RFA is to stimulate Innovative strategies that are original, creative, or an advanced method for addressing verbal and physical violence against nurses in Hospitals, FEC, Nursing Facilities, or Home Health Agencies through the development of new, or the expansion of existing, programs. The goal is to identify best practices that can be replicated and utilized by other facilities.

2.6 PROGRAM REQUIREMENTS

All Grant Projects funded under this RFA must meet the following program requirements:

1. Implement and administer a workplace violence prevention program to reduce verbal and physical violence against nurses;
2. Report on activities funded through the grant, the change in severity and frequency of verbal and physical violence against nurses, and program performance based on stated performance metrics;
3. Adhere to all requirements in the RFA, including all addenda;
4. Implement and maintain a timekeeping system for accurately documenting time and salary expenditures for all staff funded through the Grant; and
5. Report and obtain approval for any services provided by a third party prior to services being rendered.

The presentations will be scheduled and facilitated after the end of the grant term.	Dates to be determined at end of grant term.

Grantee shall provide all applicable reports in the format specified by System Agency in an accurate, complete, and timely manner and shall maintain appropriate supporting backup documentation. Failure to comply with submission deadlines for required reports, Financial Status Reports (FSRs) or other requested information may result in System

Agency, in its sole discretion, placing the Grantee on financial hold without first requiring a corrective action plan in addition to pursuing any other corrective or remedial actions under the Grant Agreement.

2.8 PERFORMANCE MEASURES AND MONITORING

The System Agency will look solely to Grantee for the performance of all Grantee obligations and requirements in a Grant Agreement resulting from this RFA. Grantee shall not be relieved of its obligations for any nonperformance by its subgrantees or subcontractors, if any.

Grant Agreement(s) awarded as a result of this RFA are subject to the System Agency's performance monitoring activities throughout the duration of the Grant Project Period. This evaluation may include a reassessment of project activities and services to determine whether they continue to be effective throughout the grant term.

the Grant Award; and (4) all expenses shown on the FSR are allocable, allowable, actual, reasonable, and necessary to fulfill the purposes of the Grant Agreement.

Section V. Grant Funding and Reimbursement Information

5.1 GRANT FUNDING SOURCE AND AVAILABLE FUNDING

The total amount of State funding available for the Workplace Violence Against Nurses Prevention grant program is **\$667,000.00** for the entire Project Period. It is the System Agency's intention to make multiple awards to Applicants that successfully demonstrate Innovative approaches for reducing verbal and physical violence against nurses in the workplace.

Applicants are strongly cautioned to only apply for the amount of grant funding they can responsibly expend during the Project Period to avoid lapsed funding at the end of the grant term. Successful Applications may not be funded to the full extent of Applicant's requested Budget in order to ensure grant funds are available for the broadest possible array of communities and programs.

Reimbursement will only be made for actual, allowable, and allocable expenses that occur within the Project Period. Spending or costs incurred prior to the effective date of the Grant Agreement will be allowed to the extent that the costs would have been allowable if incurred after the date of award and only with the written approval of the System Agency through a Pre-Agreement Cost Letter.

5.2 NO GUARANTEE OF REIMBURSEMENT AMOUNTS

There is no guarantee of total reimbursements to be paid to any Grantee under any Grant Agreement, if any, resulting from this RFA. Grantees should not expect to receive additional or continued funding under future RFA opportunities and should maintain sustainability plans in case of discontinued grant funding. Any additional funding or future funding may require submission of a new Application through a subsequent RFA.

Receipt of an Application in response to this RFA does not constitute an obligation or expectation of any award of a Grant Agreement or funding of a grant award at any level under this RFA.

5.3 GRANT FUNDING PROHIBITIONS

Grant Agreement(s) awarded under this RFA will be funded on a cost reimbursement basis for reasonable, allowable and allocable Grant Project direct costs. Under the cost reimbursement payment method, Grantee is required to finance operations and will only be reimbursed for actual, allowable, and allocable costs incurred on a monthly basis and

supported by adequate documentation. No additional payments will be rendered unless an advanced payment is approved.

Upon execution of a Grant Agreement(s), if any, resulting from this RFA, the System Agency may disperse to Grantee(s) a one-time initial advance payment of no more than 25 percent of the funding awarded.

Section VI. Application Forms and Exhibits for Submission

Note: Applicants must refer to **Section XIII, Submission Checklist**, for the complete checklist of documents that must be submitted with an application under this RFA.

6.1 NARRATIVE PROPOSAL

Using **Forms C-F** attached to this RFA, Applicants shall provide an executive summary and describe the proposed activities, processes, and methodologies aimed at reducing violence against nurses in their facility including the Proposal Narrative, Project Timeline, and Performance Measures. Applicants should identify all proposed tasks to be performed, including all Project activities, during the Grant Project Period. Applicants must complete and submit all required attachments.

6.2 REQUESTED BUDGET

Attached **Exhibit C, Requested Budget Template**, of this RFA is the template for submitting the Requested Budget. Applicants must develop the Requested Budget to support their Proposed Project and in alignment with the requirements described in this RFA.

Applicants must ensure that Project costs outlined in the Requested Budget are reasonable, allowable, allocable, and developed in accordance with applicable state and federal grant requirements. Reasonable costs are those if, in nature and amount, do not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. A cost is allocable to a particular cost objective if the cost is chargeable or assignable to such cost objective in accordance with relative benefits received. See 2 CFR Part 200.403 or TxGMS Cost Principles, Basic Considerations (pgs. 32-33), for additional information related to factors affecting allowability of costs.

Applicants must utilize the budget template provided, **Exhibit C, Requested Budget Template**, and identify all budget line items and matching costs. Budget categories must be broken out into specific budget line items that allow System Agency to determine if proposed costs are reasonable, allowable, and necessary for the successful performance of the Project. Applicants must enter all costs in the budget tables and explain why the cost is necessary and how the cost was established. Matching funds must also be identified in the Requested Budget.

If selected for a grant award under this RFA, only System Agency-approved budget items in the Requested Budget may be considered eligible for reimbursement.

Submission of Exhibit C, Requested Budget Template, is mandatory. Applicants that fail to submit a Requested Budget as set forth in this RFA with their application will be disqualified.

6.3 INDIRECT COSTS

Applicants must have an approved indirect cost rate (ICR) or request the de minimis rate to recover indirect costs. All Applicants are required to complete and submit **their information through the Federal Funds Office Online Portal**, with required supporting documentation. The questionnaire initiates the acknowledgment or approval of an ICR for use with the System Agency cost-reimbursable contracts. Entities declining the use of indirect cost cannot recover indirect costs on any System Agency award or use unrecovered indirect costs as match.

HHS typically accepts the following approved ICRs:

- Federally Approved Indirect Cost Rate Agreement
- State of Texas Approved Indirect Cost Rate

The System Agency, at its discretion, may request additional information to support any approved ICR agreement.

If the Applicant does not have an approved ICR agreement, the Applicant may be eligible for the ten percent (10%) de minimis rate or may request to negotiate an ICR with HHS.

For Applicants requesting to negotiate an ICR with HHS, the ICR Proposal Package will be provided by the HHS Federal Funds Indirect Cost Rate Group to successful Grantees. The ICR Proposal Package must be completed and returned to the HHS Federal Funds Indirect Cost Rate Group no later than three (3) months post-award.

The HHS Federal Funds Indirect Cost Rate group will contact applicable Grantees after Grant Agreement execution to initiate and complete the ICR process. Grantees should respond within thirty (30) business days or the request will be cancelled, and indirect costs may be disallowed.

Once HHS acknowledges an existing rate or approves an ICR, the Grantee will receive one of the three indirect cost approval letters: ICR Acknowledgement Letter, ICR Acknowledgement Letter – Ten Percent De Minimis, or the ICR Agreement Letter.

If an Indirect Cost Rate Letter is required but it is not issued at the time of Grant Agreement execution, the Grant Agreement will be amended to include the Indirect Cost Rate Letter after the ICR Letter is issued.

Approval or acceptance of an ICR will not result in an increase in the amount awarded or affect the agreed-upon service or performance levels throughout the life of the award.

6.4 ADMINISTRATIVE APPLICANT INFORMATION

Section IX. Application Screening and Evaluation

9.1 OVERVIEW

A three-step selection process will be used:

1. Application screening to determine whether the Applicant meets the minimum requirements of this RFA;
2. Evaluation based upon specific criteria; and
3. Final selection based upon State priorities and other relevant factors, as outlined in **Section 10.1, Final Selection.**

9.2 INITIAL COMPLIANCE SCREENING OF APPLICATIONS

All Applications received by the Deadline for Submission of Applications as outlined in **Section 7.1, Schedule of Events**, or subsequent Addenda, will be screened by HHSC to determine which Applications meet all the minimum requirements of this RFA and are deemed responsive and qualified for further consideration. See **Section 3.2, Application Screening Requirements.**

At the sole discretion of HHSC, Applications with errors, omissions, or compliance issues may be considered non-responsive and may not be considered. The remaining Applications will continue to the evaluation stage and will be considered in the manner and form as which they are received. HHSC reserves the right to waive minor informalities in an Application. A “minor informality” is an omission or error that, in the determination of HHSC if waived or modified, would not give an Applicant an unfair advantage over other Applicants or result in a material change in the Application or RFA requirements. **Note:** Any disqualifying factor set forth in this RFA does not constitute an informality (e.g., **Exhibit A, HHS Solicitation Affirmations**, or **Exhibit C, Requested Budget**).

HHSC, at its sole discretion, may give an Applicant the opportunity to submit missing information or make corrections at any point after receipt of Application. The missing information or corrections must be submitted to the Sole Point of Contact e-mail address in **Section 7.2, Sole Point of Contact**, by the deadline set by HHSC. Failure to respond by the deadline may result in the rejection of the Application and the Applicant’s not being considered for award.

9.3 QUESTIONS OR REQUESTS FOR CLARIFICATION FOR APPLICATIONS

System Agency reserves the right to ask questions or request clarification or revised documents for a submitted Application from any Applicant at any time prior to award. System Agency reserves the right to select qualified Applications received in response to this RFA without discussion of the Applications with Applicants.

- b. Innovation (35%);
- c. Demonstrated Ability (20%); and

System Agency may examine Applicant's past performance which may include, but is not limited to, information about Applicant provided by any governmental entity, whether an agency or political subdivision of the State of Texas, another state, or the Federal government.

System Agency, at its sole discretion, may also initiate investigations or examinations of Applicant performance based upon media reports. Any negative findings, as determined by System Agency in its sole discretion, may result in System Agency removing the Applicant from further consideration for award.

Past performance information regarding Applicants may include, but is not limited to:

- Notices of termination;
- Cure notices;
- Assessments of liquidated damages;
- Litigation;
- Audit reports; and
- Non-renewals of grants or contracts based on Applicant's unsatisfactory performance.

Applicants also may be rejected as a result of unsatisfactory past performance under any grant(s) or contract(s) as reflected in vendor performance reports, reference checks, or other sources. An Applicant's past performance may be considered in the initial screening process and prior to making an award determination.

Reasons for which an Applicant may be denied a Grant Agreement at any point after application submission include, but are not limited to:

1. If applicable, Applicant has an unfavorable report or grade on the CPA Vendor Performance Tracking System (VPTS). VPTS may be accessed at: <https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/>, OR,

6. Any other performance issue that demonstrates that awarding a Grant Agreement to Applicant would not be in the best interest of the State.

9.6 COMPLIANCE FOR PARTICIPATION IN STATE CONTRACTS

Prior to award of a Grant Agreement as a result of this RFA and in addition to the initial screening of Applications, all required verification checks will be conducted.

The information (e.g., legal name and, if applicable, assumed name (d/b/a), tax identification number, DUNS number) provided by Applicant will be used to conduct these checks. At System Agency's sole discretion, applicants found to be barred, prohibited, or otherwise excluded from award of a Grant Agreement may be disqualified from further consideration under this solicitation, pending satisfactory resolution of all compliance issues.

Checks include:

1. State of Texas Debarment and Warrant Hold

Additionally, if a subrecipient under a federal award, the Grantee shall comply with requirements regarding registration with the U.S. Government's System for Award Management (SAM). This requirement includes maintaining an active SAM registration and the accuracy of the information in SAM. The Grantee shall review and update information at least annually after initial SAM registration and more frequently as required by 2 CFR Part 25.

For grantees that may make procurements using grant funds awarded under the Grant Agreement, Grantee must check SAM Exclusions that contain the names of ineligible, debarred, and/or suspended parties. Grantee certifies through acceptance of a Grant Agreement it will not conduct business with any entity that is an excluded entity under SAM.

HHSC and System Agency reserve/s the right to conduct additional checks to determine eligibility to receive a Grant Agreement.

Section X. Award of Grant Agreement Process

10.1 FINAL SELECTION

After initial screening for eligibility and Application completeness, and initial evaluation against the criteria listed in **Section 9.4, Evaluation Criteria**, the System Agency may apply other considerations such as program policy or other selection factors that are essential to the process of selecting Applications that individually or collectively achieve program objectives. In applying these factors, the System Agency may consult with internal and external subject matter experts. The funding methodology for issuing final Grant Agreements will include the following identified factors:

The System Agency will make final funding decisions based on Applicant eligibility, evaluation rankings, and geographic distribution across the state, state priorities, reasonableness, availability of funding, replicability, and innovation.

10.2 NEGOTIATIONS

After selecting Applicants for award, the System Agency may engage in negotiations with selected Applicants. As determined by System Agency, the negotiation phase may involve direct contact between the selected Applicant and HHS representatives by virtual meeting, by phone and/or by email. Negotiations should not be interpreted as a preliminary intent to award funding unless explicitly stated in writing by the System Agency and is considered a step to finalize the application to a state of approval and discuss proposed grant activities. During negotiations, selected Applicants may expect:

1. An in-depth discussion of the submitted Application and Requested Budget; and
2. Requests from the System Agency for revised documents, clarification or additional detail regarding the Applicant's submitted Application. These clarifications and additional details, as required, must be submitted in writing by Applicant as finalized during the negotiation.

10.3 DISCLOSURE OF INTERESTED PARTIES

Subject to certain specified exceptions, Section 2252.908 of the Texas Government Code, Disclosure of Interested Parties, applies to a contract of a state agency that has a value of \$1 million or more; requires an action or vote by the governing body of the entity or agency before the contract may be signed; or is for services that would require a person to register as a lobbyist under Chapter 305 of the Texas Government Code.

One of the requirements of Section 2252.908 is that a business entity (defined as "any entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation") must submit a Form 1295, Certificate of Interested Parties, to the System Agency at the time the business entity submits the signed contract.

Applicant represents and warrants that, if selected for award of a Grant Agreement as a result of this RFA, Applicant will submit to the System Agency a completed, certified and signed Form 1295, Certificate of Interested Parties, at the time the potential Grantee submits the signed Grant Agreement.

The Form 1295 involves an electronic process through the Texas Ethics Commission (TEC). The on-line process for completing the Form 1295 may be found on the TEC public website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

Additional instructions and information to be used to process the Form 1295 will be provided by the System Agency to the potential Grantee(s). Grantee may contact Sole Point of Contact or designated Contract Manager for information needed to complete Form 1295.

If the potential Grantee does not submit a completed, certified and signed TEC Form 1295 to the System Agency with the signed Grant Agreement, the System Agency is prohibited by law from executing a contract, even if the potential Grantee is otherwise eligible for award. The System Agency, as determined in its sole discretion, may award the Grant Agreement to the next qualified Applicant, who will then be subject to this procedure.

10.4 EXECUTION AND ANNOUNCEMENT OF GRANT AGREEMENT(S)

The System Agency intends to award one or more Grant Agreements as a result of this RFA. However, not all Applicants who are deemed eligible to receive funds are assured of receiving a Grant Agreement.

At any time and at its sole discretion, System Agency reserves the right to cancel this RFA, make partial award, or decline to award any Grant Agreement(s) as a result of this RFA.

The final funding amount and the provisions of the grant will be determined at the sole discretion of System Agency.

HHSC may announce tentative funding awards through an “Intent to Award Letter” once the DSHS Deputy Commissioner and relevant HHSC approval authorities have given approval to initiate and/or execute grants. Receipt of an “Intent to Award Letter” does not authorize the recipient to incur expenditures or begin project activities, nor does it guarantee current or future funding.

Upon execution of a Grant Agreement(s) as a result of this RFA, HHSC will post a notification of all grants awarded to the [HHS Grants RFA](#) website.

Section XI. General Terms and Conditions

11.1 GRANT APPLICATION DISCLOSURE

In an effort to maximize state resources and reduce duplication of effort, the System Agency, at its discretion, may require the Applicant to disclose information regarding the application for or award of state, federal, and/or local grant funding to the Applicant or subgrantee or subcontractor (i.e. organization who will participate, in part, in the operation of the Project) within the past two years to provide Workplace Violence Mitigation Strategies.

Section XII. Application Confidential or Proprietary Information

12.1 TEXAS PUBLIC INFORMATION ACT – APPLICATION DISCLOSURE REQUIREMENTS

Applications and resulting Grant Agreements are subject to the Texas Public Information Act (PIA), Texas Government Code Chapter 552, and may be disclosed to the public upon request. Other legal authority also requires System Agency to post grants and applications on its public website and to provide such information to the Legislative Budget Board for posting on its public website.

Under the PIA, certain information is protected from public release. If Applicant asserts that information provided in its Application is exempt from disclosure under the PIA, Applicant must:

1. **Mark Original Application:**
 - a. Mark the Original Application, at the top of the front page, with the words “CONTAINS CONFIDENTIAL INFORMATION” in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font); and
 - b. Identify, adjacent to each portion of the Application that Applicant claims is exempt from public disclosure, the claimed exemption from disclosure (NOTE: no redactions are to be made in the Original Application);
2. **Certify in Original Application – HHS Solicitation:** Certify, in the designated section of the **Exhibit A, HHS Solicitation Affirmations**, Applicant’s confidential information assertion and the filing of its Public Information Act Copy; and
3. **Submit Public Information Act Copy of Application:** Submit a separate “Public Information Act Copy” of the Original Application (in addition to the original and all copies otherwise required under the provisions of this RFA). The Public Information Act Copy must meet the following requirements:
 - a. The copy must be clearly marked as “Public Information Act Copy” on the front page in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font);
 - b. Each portion Applicant claims is exempt from public disclosure must be redacted (blacked out); and
 - c. Applicant must identify, adjacent to each redaction, the claimed exemption from disclosure. Each identification provided as required in **Subsection (3) of this section** must be identical to those set forth in the Original Application as required in **Subsection 1(b)**, above. The only difference in required markings and information between the Original Application and the “Public Information Act Copy” of the Application will be redactions – which can only be included

in the “Public Information Act Copy.” There must be no redactions in the Original Application.

By submitting an Application under this RFA, Applicant agrees that, if Applicant does not mark the Original Application, provide the required certification in Exhibit A, HHS Solicitation Affirmations, and submit the Public Information Act Copy, the Application will be considered to be public information that may be released to the public in any manner including, but not limited to, in accordance with the Public Information Act, posted on the System Agency’s public website, and posted on the Legislative Budget Board’s public website.

If any or all Applicants submit partial, but not complete, information suggesting inclusion of confidential information and failure to comply with the requirements set forth in this section, the System Agency, in its sole discretion, reserves the right to (1) disqualify all Applicants that fail to fully comply with the requirements set forth in this section, or (2) to offer all Applicants that fail to fully comply with the requirements set forth in this section additional time to comply.

No Applicant should submit a Public Information Act Copy indicating that the entire Application is exempt from disclosure. Merely making a blanket claim that the entire Application is protected from disclosure because it contains any amount of confidential, proprietary, trade secret, or privileged information is not acceptable, and may make the entire Application subject to release under the PIA.

Applications should not be marked or asserted as copyrighted material. If Applicant asserts a copyright to any portion of its Application, by submitting an Application, Applicant agrees to reproduction and posting on public websites by the State of Texas, including the System Agency and all other state agencies, without cost or liability.

The System Agency will strictly adhere to the requirements of the PIA regarding the disclosure of public information. As a result, by participating in this RFA, Applicant acknowledges that all information, documentation, and other materials submitted in its Application may be subject to public disclosure under the PIA. The System Agency does not have authority to agree that any information submitted will not be subject to disclosure. Disclosure is governed by the PIA and by rulings of the Office of the Texas Attorney General. Applicants are advised to consult with their legal counsel concerning disclosure issues resulting from this process and to take precautions to safeguard trade secrets and proprietary or otherwise confidential information. The System Agency assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Applicants.

For more information concerning the types of information that may be withheld under the PIA or questions about the PIA, please refer to the Public Information Act Handbook published by the Office of the Texas Attorney General or contact the attorney general’s Open Government Hotline at (512) 478-OPEN (6736) or toll-free at (877) 673-6839 (877-OPEN TEX). To access the Public Information Act Handbook, please visit the attorney general’s website at <http://www.texasattorneygeneral.gov>.

12.2 APPLICANT WAIVER – INTELLECTUAL PROPERTY

SUBMISSION OF ANY DOCUMENT TO ANY HHS AGENCY IN RESPONSE TO THIS SOLICITATION CONSTITUTES AN IRREVOCABLE WAIVER, AND AGREEMENT BY THE SUBMITTING PARTY TO FULLY INDEMNIFY THE STATE OF TEXAS AND HHS FROM ANY CLAIM OF INFRINGEMENT REGARDING THE INTELLECTUAL PROPERTY RIGHTS OF THE SUBMITTING PARTY OR ANY THIRD PARTY FOR ANY MATERIALS SUBMITTED TO HHS BY THE SUBMITTING PARTY.
