4. Litigation and Contract History

In addition, Respondent must disclose any civil or criminal litigation or investigation pending over the last five (5) years that involves Respondent or in which Respondent has been judged guilty or liable. Failure to comply with the terms of this provision may disqualify Respondent.

The RFA Response may be rejected based upon Respondent's prior history with the State of Texas or with any other party that demonstrates, without limitation, unsatisfactory performance, adversarial or contentious demeanor, or significant failure(s) to meet contractual or grant obligations.

Check this box if the Respondent does not have any civil or criminal litigation or investigation pending over the last five (5) years that involves Respondent or in which Respondent has been judged guilty or liable.

Additionally, if applicable, the Respondent must disclose all potential conflicts of interest. The Respondent must describe the measures it will take to ensure that there will be no actual conflict of interest and that its fairness, independence and objectivity will be maintained.

HHSC will determine to what extent, if any, a potential conflict of interest can be mitigated and managed during the term of the grant. Failure to identify actual and potential conflicts of interest may result in disqualification of a RFA Response or termination of a contract.

Include any activities of affiliated or parent organizations and individuals who may be assigned to this contract, if any.

Additionally, pursuant to Section 2252.908 of the Texas Government Code, a successful Respondent awarded a contract greater than \$1 million dollars, or that requires an action or vote of the governing body, must submit a disclosure of interested parties to the state agency at the time the business entity submits the signed grant. Rules and filing instructions may be found on the Texas Ethics Commissions public website and additional instructions will be given by HHSC to successful Respondents.

Check this box if the Respondent certifies it does not have any personal or business interests that present a conflict of interest with respect to the RFA and any resulting contract.
