Section V. Grant Funding and Reimbursement Information

**5.1 GRANT FUNDING SOURCE AND AVAILABLE FUNDING**

The total amount of State and federal funding available for the Family Violence Shelter and Nonresidential Services Program grant is \$240,000,000.00 with \$40,000,000 budgeted annually. It is HHSC's intention to make multiple awards. Funds under this announcement have been made available to States through the Temporary Assistance for Needy Families (TANF), CFDA 93.558; Social Services Block Grant (SSBG), CFDA 93.667; Texas State General Revenue funds; and the Family Violence Prevention and Services Act (FVPSA) Grant funds, CFDA 93.671.

Funds made available under the FVPSA must be used to supplement and not supplant other federal, State, and local public funds expended to provide services and activities that promote the objective of the FVPSA (42 U.S.C. § 10406(c)(6)).

The total amount of funding available will be awarded to multiple Family Violence Centers to provide either 24-hours-a-day shelter services or nonresidential services. Any Applicants applying as a Shelter Center must also provide nonresidential services. Awarded Applicants will be allocated funding based on multiple factors considered in a distribution formula determined by HHSC. For guidance to applicants in their budget creation, FVP provides the following:

- For Applicants who have never received funds for HHSC Shelter or Nonresidential Services, the maximum funding Applicants may apply for is \$140,000.
- For previously funded Applicants, awards may apply for funding similar to the most recent annual award amount for HHSC Shelter or Nonresidential Services.

The State Fiscal Year funding amounts are subject to increase or decrease as funds are appropriated throughout the Grant Agreement term from the federal government, Texas Legislature, or both. The System Agency will set a six-year not to exceed budget for awarded Applicants and will issue annual amounts on a yearly basis. The System Agency will make funds available for awarded Applicants to deliver FVP services beginning September 1, 2025.

HHSC reserves the right to modify the annual award amount at any time during the Grant Agreement term by issuing a written revised NTP to the Grantee. No expenses may be incurred, and no work may begin until HHSC issues an NTP to the Grantee. HHSC may send the NTP to the Grantee by regular mail, electronic mail, or facsimile transmission. Grantee will be notified of a change to the availability of funds through the NTP.
