The purpose of this grant is to provide time-limited financial support for any qualified Rural Hospital in Texas to support activities that will sustain inpatient labor and delivery services.

2.2 PROGRAM BACKGROUND

Rural Hospital closures and the closure of obstetric units result in fewer options for birthing people and increased barriers to finding care. Approximately, 40 percent of Texas' Rural Hospitals have an inpatient labor and delivery unit. To preserve and strengthen existing labor and delivery services, HHSC is providing time-limited financial support for qualified Rural Hospitals.

2.3 ELIGIBLE SERVICE AREAS

The service areas eligible for project funding under this RFA are any counties or regions in the State of Texas.

2.4 ELIGIBLE ACTIVITIES

This grant program may fund activities and costs as allowed by the laws, regulations, rules, and guidance governing fund use identified in the relevant sections of this RFA. Only grant-funded activities authorized under this RFA are eligible for reimbursement and payment under any Grant Agreement awarded as a result of this RFA.

All Grant Projects funded under this RFA must meet the following program requirements:

1. Grantee shall continue to provide hospital services without interruption to the general public.

Supporting Documentation	Due with each Funding Utilization Report (Interim and Final).

Grantee shall provide all reports in an accurate, complete, and timely manner and shall maintain appropriate supporting backup documentation. Failure to comply with submission deadlines for required reports or other requested information may result in System Agency, in its sole discretion, placing the Grantee on financial hold without first requiring a corrective action plan in addition to pursuing any other corrective or remedial actions under the Grant Agreement.

2.6.1 Hospital Labor and Delivery Sustainability Plan

Grantee shall submit a Hospital Labor and Delivery Sustainability Plan (the “Plan”) to HHSC for review and approval on the form prescribed by HHSC. The Plan must also contain updated information about the proposed Project, its outcomes, and impacts that were provided in the Applicant’s Narrative Proposal from its submitted Application.

2.6.3 Supporting Documentation

With each Funding Utilization Report, Grantee shall submit to HHSC detailed and accurate evidence of expenditures (e.g., copies of “paid” invoices or copies of receipts) that identify the eligible expenses or costs that were incurred by Grantee using grant funds.

Section V. Grant Funding and Reimbursement Information

5.1 GRANT FUNDING SOURCE AND AVAILABLE FUNDING

The Texas Legislature appropriated \$25 million per year for the 2024-25 biennium for Rural Hospital grants beginning September 1, 2023. The grants would be used for financial stabilization and sustaining maternal care operations for Rural Hospitals. The Rural Hospital Labor and Delivery Grant is a grant program created using these funds. These grants are intended to provide time-limited financial support for operational costs to support hospitals in maintaining inpatient labor and delivery services. If the facility receives these grant funds, it acknowledges that these grant funds are time-limited and that the allocation methods for the funds will vary from year-to-year and there is no guarantee of future funding beyond the duration for which the funding is awarded.

For this RFA, the total amount of state funding available for the Rural Hospital Labor and Delivery Grant is **\$7.5 million** for the entire Project Period. It is the System Agency's intention to make multiple awards to Applicants that successfully demonstrate a need for

activities that will sustain the hospital's inpatient labor and delivery services. HHSC expects to award thirty (30) Labor and Delivery grants in the **maximum amount of \$250,000.00 per award**.

Grant funds must only be used for actual, allowable, and allocable expenses that occur within the Project Period, and grant funds must not be used for spending or costs incurred prior to the effective date of the Grant Agreement.

5.2 NO GUARANTEE OF DISBURSEMENT AMOUNTS

There is no guarantee of total disbursements to be paid to any Grantee under any Grant Agreement, if any, resulting from this RFA. Grantees should not expect to receive additional or continued funding under future RFA opportunities and should maintain sustainability plans in case of discontinued grant funding. Any additional funding or future funding may require submission of a new Application through a subsequent RFA.

Receipt of an Application in response to this RFA does not constitute an obligation or expectation of any award of a Grant Agreement or funding of a grant award at any level under this RFA.

5.3 GRANT FUNDING PROHIBITIONS

Grant funds may not be used to support the following services, activities, and costs:

1. Any use of grant funds to replace (supplant) funds that have been budgeted for the same purpose through non-grant sources, unless approved in writing by System Agency;

No withdrawal or modification request received after the Deadline for Submission of Applications, set forth in **Section 7.1, Schedule of Events**, or subsequent Addenda, will be considered. Additionally, in the event of multiple Applications received, the most

timely received and/or modified Application will replace the Applicant's original and all prior submission(s) in its entirety and the original submission(s) will not be considered.

Section IX. Application Screening and Evaluation

9.1 OVERVIEW

A three-step selection process will be used:

1. Application screening to determine whether the Applicant meets the minimum requirements of this RFA;
2. Evaluation based upon specific criteria (see **Section 9.4, Evaluation Criteria**); and
3. Final selection based upon state priorities and other relevant factors, as outlined in **Section 10.1, Final Selection**.

9.2 INITIAL COMPLIANCE SCREENING OF APPLICATIONS

All Applications received by the Deadline for Submission of Applications as outlined in **Section 7.1, Schedule of Events**, or subsequent Addenda, will be screened by HHSC to determine which Applications meet all the minimum requirements of this RFA and are deemed responsive and qualified for further consideration. See **Section 3.2, Application Screening Requirements**.

At the sole discretion of HHSC, Applications with errors, omissions, or compliance issues may be considered non-responsive and may not be considered. The remaining Applications will continue to the evaluation stage and will be considered in the manner and form as which they are received. HHSC reserves the right to waive minor informalities in an Application. A "minor informality" is an omission or error that, in the determination of HHSC if waived or modified, would not give an Applicant an unfair advantage over other Applicants or result in a material change in the Application or RFA requirements. Note: Any disqualifying factor set forth in this RFA does not constitute an informality.

HHSC, at its sole discretion, may give an Applicant the opportunity to submit missing information or make corrections at any point after receipt of Application. The missing information or corrections must be submitted to the Sole Point of Contact e-mail address in **Section 7.2, Sole Point of Contact**, by the deadline set by HHSC. Failure to respond by the deadline may result in the rejection of the Application and the Applicant's not being considered for award.

9.3 QUESTIONS OR REQUESTS FOR CLARIFICATION FOR APPLICATIONS

System Agency reserves the right to ask questions or request clarification or revised documents for a submitted Application from any Applicant at any time prior to award. System Agency reserves the right to select qualified Applications received in response to this RFA without discussion of the Applications with Applicants.

9.4 EVALUATION CRITERIA

Applications will be evaluated and scored in accordance with the following scoring criteria. See **Exhibit D, Evaluation Tool**.

Scoring Criteria: Qualified Applications shall be evaluated based upon:

1. Proposed Project (50%)
2. Community Impact (40%); and
3. Project Cost (10%)

9.5 PAST PERFORMANCE

System Agency reserves the right to request additional information and conduct investigations as necessary to evaluate any Application. By submitting an Application, the Applicant generally releases from liability and waives all claims against any party providing information about the Applicant at the request of System Agency.

System Agency may examine Applicant's past performance which may include, but is not limited to, information about Applicant provided by any governmental entity, whether an agency or political subdivision of the State of Texas, another state, or the Federal government.

Past performance information regarding Applicants may include, but is not limited to:

1. Notices of termination;
2. Cure notices;
3. Assessments of liquidated damages;
4. Litigation;
5. Audit reports; and
6. Non-renewals of grants or contracts based on Applicant's unsatisfactory performance.

Applicants also may be rejected as a result of unsatisfactory past performance under any grant(s) or contract(s) as reflected in vendor performance reports, reference checks, or other sources. An Applicant's past performance may be considered in the initial screening process and prior to making an award determination.

Reasons for which an Applicant may be denied a Grant Agreement at any point after application submission include, but are not limited to:

1. If applicable, Applicant has an unfavorable report or grade on the CPA Vendor Performance Tracking System (VPTS). VPTS may be accessed at:

<https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/>, OR,

2. Applicant is currently under a corrective action plan through HHSC or DSHS, OR,
3. Applicant has had repeated, negative vendor performance reports for the same reason, OR,
4. Applicant has a record of repeated non-responsiveness to vendor performance issues, OR,
5. Applicant has contracts or purchase orders that have been cancelled in the previous 12 months for non-performance or substandard performance, OR
6. Any other performance issue that demonstrates that awarding a Grant Agreement to Applicant would not be in the best interest of the State.

9.6 COMPLIANCE FOR PARTICIPATION IN STATE CONTRACTS

Prior to award of a Grant Agreement as a result of this RFA and in addition to the initial screening of Applications, all required verification checks will be conducted.

The information (e.g., legal name and, if applicable, assumed name (d/b/a), tax identification number, DUNS number) provided by Applicant will be used to conduct these checks. At System Agency's sole discretion, applicants found to be barred, prohibited, or otherwise excluded from award of a Grant Agreement may be disqualified from further consideration under this solicitation, pending satisfactory resolution of all compliance issues.

Checks include:

1. State of Texas Debarment and Warrant Hold

Applicant must not be debarred from doing business with the State of Texas (<https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/debarred-vendors.php>) or have an active warrant or payee hold placed by the Comptroller of Public Accounts (CPA).

2. U.S. System of Award Management (SAM) Exclusions List

Applicant must not be excluded from contract participation at the federal level. This verification is conducted through SAM, the official website of the U.S. Government which may be accessed at:

<https://www.sam.gov/SAM/pages/public/searchRecords/search.jsf>.

3. Divestment Statute Lists

Applicant must not be listed on the Divestment Statute Lists provided by CPA, which may be accessed at:

<https://comptroller.texas.gov/purchasing/publications/divestment.php>.

- a. Companies that boycott Israel;
- b. Companies with Ties to Sudan;
- c. Companies with Ties to Iran;
- d. Foreign Terrorist Organizations; and
- e. Companies with Ties to Foreign Terrorist Organizations.

4. HHS Office of Inspector General

Applicant must not be listed on the HHS Office of Inspector General Texas Exclusions List for people or businesses excluded from participating as a provider: <https://oig.hhsc.texas.gov/exclusions>.

5. U.S. Department of Health and Human Services

Applicant must not be listed on the U.S. Department of Health and Human Services Office of Inspector General's List of Excluded Individuals/Entities (LEIE), excluded from participation as a provider, unless a valid waiver is currently in effect: <https://exclusions.oig.hhs.gov/>.

Additionally, if a subrecipient under a federal award, the Grantee shall comply with requirements regarding registration with the U.S. Government's System for Award Management (SAM). This requirement includes maintaining an active SAM registration and the accuracy of the information in SAM. The Grantee shall review and update information at least annually after initial SAM registration and more frequently as required by 2 CFR Part 25.

For grantees that may make procurements using grant funds awarded under the Grant Agreement, Grantee must check SAM Exclusions that contain the names of ineligible, debarred, and/or suspended parties. Grantee certifies through acceptance of a Grant Agreement it will not conduct business with any entity that is an excluded entity under SAM.

HHSC reserves the right to conduct additional checks to determine eligibility to receive a Grant Agreement.

Section X. Award of Grant Agreement Process

10.1 FINAL SELECTION

After initial screening for eligibility and Application completeness, and initial evaluation against the criteria listed in **Section 9.4, Evaluation Criteria**, the System Agency may apply other considerations such as program policy or other selection factors that are essential to the process of selecting Applications that individually or collectively achieve program objectives. In applying these factors, the System Agency may consult with internal and external subject matter experts. The funding methodology for issuing final Grant Agreements will include the following identified factors:

1. Impact on sustaining the Rural Hospital’s labor and delivery services;
2. Reasonableness and appropriate use of funds; and
3. Geographic distribution across the State.

The System Agency will make final funding decisions based on Applicant eligibility, evaluation rankings, the funding methodology above, and state priorities, availability of funding, cost-effectiveness, and other relevant factors.

All funding recommendations will be considered for approval by the HHSC Program Deputy Executive Commissioner, or their designee.

10.2 NEGOTIATIONS

After selecting Applicants for award, the System Agency may engage in negotiations with selected Applicants. As determined by System Agency, the negotiation phase may involve direct contact between the selected Applicant and HHS representatives by virtual meeting, by phone and/or by email. Negotiations should not be interpreted as a preliminary intent to award funding unless explicitly stated in writing by the System Agency and is considered a step to finalize the application to a state of approval and discuss proposed grant activities. During negotiations, selected Applicants may expect:

1. An in-depth discussion of the submitted Application and Requested Budget; and
2. Requests from the System Agency for revised documents, clarification or additional detail regarding the Applicant’s submitted Application. These clarifications and additional details, as required, must be submitted in writing by Applicant as finalized during the negotiation.

10.3 DISCLOSURE OF INTERESTED PARTIES

Subject to certain specified exceptions, Section 2252.908 of the Texas Government Code, Disclosure of Interested Parties, applies to a contract of a state agency that has a value of \$1 million or more; requires an action or vote by the governing body of the entity or agency before the contract may be signed; or is for services that would require a person to register as a lobbyist under Chapter 305 of the Texas Government Code.

One of the requirements of Section 2252.908 is that a business entity (defined as “any entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation”) must submit a Form 1295, Certificate of Interested Parties, to the System Agency at the time the business entity submits the signed contract.

Applicant represents and warrants that, if selected for award of a Grant Agreement as a result of this RFA, Applicant will submit to the System Agency a completed, certified and signed Form 1295, Certificate of Interested Parties, at the time the potential Grantee submits the signed Grant Agreement.

The Form 1295 involves an electronic process through the Texas Ethics Commission (TEC). The on-line process for completing the Form 1295 may be found on the TEC public website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

Additional instructions and information to be used to process the Form 1295 will be provided by the System Agency to the potential Grantee(s). Grantee may contact Sole Point of Contact or designated Contract Manager for information needed to complete Form 1295.

If the potential Grantee does not submit a completed, certified and signed TEC Form 1295 to the System Agency with the signed Grant Agreement, the System Agency is prohibited by law from executing a contract, even if the potential Grantee is otherwise eligible for award. The System Agency, as determined in its sole discretion, may award the Grant Agreement to the next qualified Applicant, who will then be subject to this procedure.

10.4 EXECUTION AND ANNOUNCEMENT OF GRANT AGREEMENT(S)

The System Agency intends to award one or more Grant Agreements as a result of this RFA. However, not all Applicants who are deemed eligible to receive funds are assured of receiving a Grant Agreement.

At any time and at its sole discretion, System Agency reserves the right to cancel this RFA, make partial award, or decline to award any Grant Agreement(s) as a result of this RFA.

The final funding amount and the provisions of the grant will be determined at the sole discretion of System Agency.

HHSC may announce tentative funding awards through an “Intent to Award Letter” once the HHSC Program Deputy Executive Commissioner and relevant HHSC approval authorities have given approval to initiate and/or execute grants. Receipt of an “Intent to Award Letter” does not authorize the recipient to incur expenditures or begin project activities, nor does it guarantee current or future funding.

Upon execution of a Grant Agreement(s) as a result of this RFA, HHSC will post a notification of all grants awarded to the [HHS Grants RFA](#) website.

Section XI. General Terms and Conditions

11.1 GRANT APPLICATION DISCLOSURE

In an effort to maximize state resources and reduce duplication of effort, the System Agency, at its discretion, may require the Applicant to disclose information regarding the application for or award of state, federal, and/or local grant funding to the Applicant or subgrantee or subcontractor (i.e. organization who will participate, in part, in the operation of the Project) within the past two years to provide labor and delivery services.

11.2 TEXAS HISTORICALLY UNDERUTILIZED BUSINESSES (HUBS)

In procuring goods and services using funding awarded under this RFA, Grantee must use HUBs or other designated businesses as required by law or the terms of the state or federal grant under which this RFA has been issued. See, e.g., 2 CFR 200.321. If there are no such requirements, System Agency encourages Applicant to use HUBs to provide goods and services.

For information regarding the Texas HUB program, refer to CPA's website: <https://comptroller.texas.gov/purchasing/vendor/hub/>.

Section XII. Application Confidential or Proprietary Information

12.1 TEXAS PUBLIC INFORMATION ACT – APPLICATION DISCLOSURE REQUIREMENTS

Applications and resulting Grant Agreements are subject to the Texas Public Information Act (PIA), Texas Government Code Chapter 552, and may be disclosed to the public upon request. Other legal authority also requires System Agency to post grants and applications on its public website and to provide such information to the Legislative Budget Board for posting on its public website.

Under the PIA, certain information is protected from public release. If Applicant asserts that information provided in its Application is exempt from disclosure under the PIA, Applicant must:

1. **Mark Original Application:**
 - a. Mark the Original Application, at the top of the front page, with the words “CONTAINS CONFIDENTIAL INFORMATION” in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font); and
 - b. Identify, adjacent to each portion of the Application that Applicant claims is exempt from public disclosure, the claimed exemption from disclosure (NOTE: no redactions are to be made in the Original Application);
2. **Certify in Original Application – HHS Solicitation:** Certify, in the designated section of the **Exhibit A, HHS Solicitation Affirmations**, Applicant's confidential information assertion and the filing of its Public Information Act Copy; and
3. **Submit Public Information Act Copy of Application:** Submit a separate “Public Information Act Copy” of the Original Application (in addition to the original and all copies otherwise required under the provisions of this RFA). The Public Information Act Copy must meet the following requirements:
 - a. The copy must be clearly marked as “Public Information Act Copy” on the front page in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font);

- b. Each portion Applicant claims is exempt from public disclosure must be redacted (blacked out); and
- c. Applicant must identify, adjacent to each redaction, the claimed exemption from disclosure. Each identification provided as required in **Subsection (3) of this section** must be identical to those set forth in the Original Application as required in **Subsection 1(b)**, above. The only difference in required markings and information between the Original Application and the “Public Information Act Copy” of the Application will be redactions – which can only be included in the “Public Information Act Copy.” There must be no redactions in the Original Application.

By submitting an Application under this RFA, Applicant agrees that, if Applicant does not mark the Original Application, provide the required certification in Exhibit A, HHS Solicitation Affirmations, and submit the Public Information Act Copy, the Application will be considered to be public information that may be released to the public in any manner including, but not limited to, in accordance with the Public Information Act, posted on the System Agency’s public website, and posted on the Legislative Budget Board’s public website.

If any or all Applicants submit partial, but not complete, information suggesting inclusion of confidential information and failure to comply with the requirements set forth in this section, the System Agency, in its sole discretion, reserves the right to (1) disqualify all Applicants that fail to fully comply with the requirements set forth in this section, or (2) to offer all Applicants that fail to fully comply with the requirements set forth in this section additional time to comply.

No Applicant should submit a Public Information Act Copy indicating that the entire Application is exempt from disclosure. Merely making a blanket claim that the entire Application is protected from disclosure because it contains any amount of confidential, proprietary, trade secret, or privileged information is not acceptable, and may make the entire Application subject to release under the PIA.

Applications should not be marked or asserted as copyrighted material. If Applicant asserts a copyright to any portion of its Application, by submitting an Application, Applicant agrees to reproduction and posting on public websites by the State of Texas, including the System Agency and all other state agencies, without cost or liability.

The System Agency will strictly adhere to the requirements of the PIA regarding the disclosure of public information. As a result, by participating in this RFA, Applicant acknowledges that all information, documentation, and other materials submitted in its Application may be subject to public disclosure under the PIA. The System Agency does not have authority to agree that any information submitted will not be subject to disclosure. Disclosure is governed by the PIA and by rulings of the Office of the Texas Attorney General. Applicants are advised to consult with their legal counsel concerning disclosure issues resulting from this process and to take precautions to safeguard trade secrets and proprietary or otherwise confidential information. The System Agency assumes no

obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Applicants.

For more information concerning the types of information that may be withheld under the PIA or questions about the PIA, please refer to the Public Information Act Handbook published by the Office of the Texas Attorney General or contact the attorney general's Open Government Hotline at (512) 478-OPEN (6736) or toll-free at (877) 673-6839 (877-OPEN TEX). To access the Public Information Act Handbook, please visit the attorney general's website at <http://www.texasattorneygeneral.gov>.

12.2 APPLICANT WAIVER – INTELLECTUAL PROPERTY

Section XIII. Submission Checklist
