#	RFA Reference	Question	Response
1	General	<p>I have a clarifying question regarding eligibility for RFA HHS0016733. My organization currently runs [REDACTED] for the State of Texas and have received both GUSNIP and HHSC funding over the past few years. We were wondering if we are eligible to apply for this funding separate from SFC. It appears so from what I'm reading in the RFA, HOWEVER, we want to be 100% sure before making future decisions.</p>	<p>Refer to RFA Section 2.5, Eligible Activities, Section 2.6, Program Requirements, and Section 3.2 Application Screening Requirements.</p>
