

Request for Applications (RFA)
Grant for
HIV Clinical HIV/STI Prevention in Community Health Centers
RFA No. HHS0013483

Addendum No. 1

This RFA is amended as follows:

Section 2.4, Eligible Service Areas, of the RFA is deleted and replaced with the following:

2.4 ELIGIBLE SERVICE AREAS

The State of Texas is divided into twenty-six (26) HSDAs, see **Appendix 1: Texas Counties in HIV Service Delivery Areas (HSDA)**. Twenty HSDAs are eligible for grant funding under this RFA.

Eligible HSDAs for program activities, described in **Section 2.5, Eligible Activities**, are: Dallas, San Antonio, Austin, Fort Worth, Houston (without City of Houston), El Paso, Brownsville, Tyler, Galveston, Beaumont-Port Arthur, Temple- Killeen, Corpus Christi, Permian Basin, Waco, Amarillo, Laredo, Lubbock, Lufkin, Bryan-College Station, and Texarkana.

Note: Awards for providers in the Houston HSDA will be limited as this HSDA receives direct federal funding. If Applicant is currently receiving federal funds for HIV prevention from the City of Houston, it is not eligible to receive grant funding under this RFA.

Refer to **Appendix 2, Determination of Eligible HSDAs based on HIV Morbidity Scores** for more details on funding eligibility criteria and scoring of HSDAs.

Applicant shall be physically located in the HSDA it proposes to serve and apply to serve at least one (1) county within an eligible HSDA. See **Appendix 1, Texas Counties in HIV Service Delivery Areas** for a list of counties in eligible HSDAs.
